

IN THE DRAWINGS:

Please replace the previously submitted Figure 9B (which contained incorrect SEQ. ID NOS.) with the substitute drawing Figures 9B and 9C submitted herewith.

REMARKS

Entry of this amendment and favorable reconsideration of this application are respectfully requested.

Claims 1-5, 7-11, 13-17, 19-23 and 25-55 are pending in this application.

Submitted herewith is a replacement Sequence Listing in both computer readable form and in a paper copy. The content of the paper copy and the computer readable form are the same and include no new matter.

Replacement Figures 9B and 9C are provided to replace originally submitted figure 9B. The originally submitted figure did not properly identify SEQ. ID NOS. The new figures include corrected SEQ. ID NOS and have simply been re-oriented to accommodate the additional SEQ. ID NOS. The specification is also amended herein to correct SEQ. ID NOS and to add references to figure 9C. No new matter is added.

In view of the foregoing, this application is believed to be in condition for allowance. Such early and favorable action is earnestly solicited.

Respectfully submitted,

Peter DeLuca
